C. COMPETITION

11. Grading

- 11.1. Once grading has commenced no players may change teams without prior approval from the SBA. Any request must be lodged by the Team Manager in writing to the CEO of the SBA.
- 11.2. Within each Age Group, the competition is divided into grades. Teams will be nominated into specific grades by their Club/Team Manager at the time of Team entry. In conjunction with the Association, grading secretaries will evaluate all Team entries and allocate Teams to grades during the grading phase. Teams are graded based on their ability to compete in that grade.
- 11.3. Any Team who qualified for the Grand Final in the previous season must be registered in a higher grade for the following season, unless they are entering in a higher Age Group.
- 11.4. Grades will usually range from A, B, C & D etc. with the most skilled Teams placed in A grade and the least skilled in the lower grades to promote competitiveness.
- 11.5. Wherever possible, grades during the grading phase will consist of eight (8) Teams of similar skill level, allowing those Teams to play each other.
- 11.6. Grading of junior Teams within each Age Group will be completed by the end of the fourth round in each season. Any later re-grading must be approved by the SBA CEO.

- 11.7. Whilst most re-grading occurs by round 4, re-grading of Teams, both up and down, may be necessary after round 4 but no later than round 7.
- 11.8. Once Grading has concluded, all Teams revert to 0 points and 0 points percentage (PP%).
- 11.9. Requests for Teams to be moved to a different grade can be made in writing but may only be approved by the SBA CEO.
- 11.10. Each player must play at least three (3) grading games. Teams must notify the SBA if a player is injured or away and won't be able to play the required three (3) grading games. If a player is joining the Team after grading, approval must be sought from the SBA.

12. Restriction on Representative Players

- 12.1. Whilst playing representative basketball it is important that all players show a commitment to the SBA Domestic Competition. All eligible junior players that play representative basketball for Sandringham Sabres must be registered with a domestic Club prior to grading and play on a regular basis for that Club in the SBA competition. At a minimum a Representative Player would play enough games during a season to enable that player to qualify for the domestic finals of that Age Group.
- 12.2. Any request for variation of this rule must be applied for in writing. An [Exemption Request form](#) is available from the SBA website. This completed form must be returned electronically to the SBA CEO for consideration.
- 12.3. All Representative Players must continue to participate in the SBA competition until formally advised if the exemption has been approved. Players undertaking basketball at State Level or Australian Level, certain medical grounds with proper medical certificates & reports, would be some of the grounds that the exemptions would be considered. Training squads do not necessarily qualify for exemptions. These exemptions MUST be reapplied for each season. They are not based on approval or circumstances from any prior season.
- 12.4. Any player that misses participation in SBA competition scheduled games whilst representing their State in National Junior Championships or representing Australia on official national duties at national camps or playing for Australia shall have those games missed due to participation, included in the calculations for finals eligibility. The player must have played a minimum of four (4) games for that Club to be eligible to have the missed games included in the calculations for Domestic finals eligibility. Application in writing to the CEO at least 14 days prior to the start of the final's series stating the details of games missed must be included.
- 12.5. Any Representative Player that would qualify for exemption 12.4 must play at least three (3) of the four (4) grading games of the current season.
- 12.6. The following restrictions will be placed on Representative Players that participate in the Junior Domestic Competitions.

The intentions of these restrictions are to:
 - Better facilitate the participation of non-representative players into the Domestic Competition.
 - Spread the Representative Players across more domestic Teams.
 - Make the competition more even.
- 12.7. The on-line registration form will require Teams to declare all players that are currently playing representative basketball, the Association they play with, Team (e.g. McKinnon 14.1) and the competition division in which they play.
 - Examples of representative Clubs locally are: Southern Peninsula 'Sharks', Mornington 'Breakers', Casey 'Cavaliers', Frankston 'Blues', Chelsea 'Gulls', Keysborough 'Cougars', Dandenong 'Rangers', McKinnon 'Cougars', Waverley 'Falcons', Melbourne 'Tigers' and Sandringham 'Sabres'.

- Representative Players will be assigned a 'points value' based on the Team in which they play. The Team's 'points value' will be the sum of all players points for that Team.

12.8. Teams will be allocated a maximum 'points value' of:

- 14 Points for competition.
- There are not to be more than two (2) Representative Players with a point value of four (4) points per Team.
- All Teams with current Representative Players must be entered in the A or B Grade competition. This includes Representative Players with 0 points (in 5th Team and below).
- Bottom age players moving up will carry their current points.

12.9. Points for Sabres players will be allocated as follows:

- 1st Team (4 Points)
- 2nd Team (3 Points)
- 3rd Team (2 Points)
- 4th Team (1 Point)
- 5th Team and below (0 points)

12.10. For Representative Players from other Associations, their points will be based on the level at which they are playing at compared to the Sabres Teams. If they are between levels of the Sabres Teams, they will be allocated the points of the higher ranked Team they are between.

Example:

Sabres first team is in Vic Championship.
A player is in the Melbourne Tigers second team who competes in VJL1.

Sabres second team competes in VJL2.
That player will be allocated 4 Points.

A Player is in McKinnon first team who competes in VJL2.
Sabres second team competes in VJL2.
That player will be allocated 3 Points.

12.11. All junior Representative Players must play in their year of birth Age Group. If a player chooses to play up an Age Group in a second Team, they will carry full points.

12.12. For a Representative Player who voluntarily exits representative basketball but continues to play in Junior Domestic Competitions, that player's points will not carry over for the following domestic season or the season after.

12.13. For a Representative Players who has been cut from the representative program, their points will not be allocated for the remainder of the current season they are playing in.

12.14. SBA reserves the right to pre-allocate new Representative Players and emergency players points.

12.15. Any request for exemptions or variations to these rules must be made in writing to the SBA CEO using the [Exemption Request Form](#).

13. Playing Up/Second Game/Multiple Teams

13.1. A junior Representative Player must play in the designated year of birth Age Group before playing in a higher Age Group. Any exemptions must be submitted for approval by the SBA CEO using the [Exemption Request Form](#) accompanied by any other supporting documentation.

13.2. Any player who is eligible to play in the Junior Domestic Competition may play in no more than one Age Group above their current age competition.

Example:

A player eligible in U14 can only play up to U16 competition. That player **cannot** play in the U18 competition.

- 13.3. No junior player may play more than two (2) Junior Domestic Competition games in any one week except where By-Law 14 applies.
- 13.4. An eligible junior player over the age of 16 years wishing to play in the Senior Domestic Competition must apply to the SBA and their parent or guardian must complete the [Junior to Play in Senior Competition Form](#).
- 13.5. A junior player is not permitted to play in two Teams in the same Age Group. If a junior player is playing up a grade as an emergency or fill in, they can play up to three games per season in a higher grade. If they play a fourth game in the higher grade they are no longer eligible to play in the lower graded Team.
- 13.6. The player that has requested permission to play in seniors cannot commence playing in the Senior Domestic Competition until they have been given written approval from the SBA.
- 13.7. Anyone 15 years or under cannot play in the Senior Domestic Competition, this includes U20's and above.

14. Emergency / Fill in Player

A fill in player is a player that is registered to the same Club they are filling in for.

An emergency player is a player that is not registered to the same Club they are filling in for.

From time to time a Team may be required to use a fill in player so a Team can take the court. If any of the following clauses are breached it will result in a forfeit for the offending Team.

- 14.1. The emergency player clause can only be implemented if a Team has less than five (5) players eligible to play that game.
- 14.2. Should a sixth player registered with that Team, or a fill in player, enter the court, the emergency player will then be substituted off the court for the rest of the game.
- 14.3. All emergency players can play one game unregistered with the SBA.
- 14.4. All emergency players must be registered with the SBA prior to taking the court before their second game and can be from any Club or Entity Team. Failure to register will result in a forfeit for the offending Team.
- 14.5. The fill in player clause can only be implemented if a Team has less than six (6) players eligible to play that game. If a 6th registered player for the Team arrives anytime during the game, the fill in player is to remove themselves from the game.
- 14.6. For junior players and U20 – U23s a fill in player must be registered with the same Club. Failure to be registered will result in a forfeit for the offending Team.
- 14.7. For men's and women's senior Teams, a fill in player is allowed to play one game unregistered. Prior to playing a second game the fill in player must be registered with the SBA. Failure to register will result in a forfeit for the offending Team.
- 14.8. A junior fill in player may play up to three (3) games a season in a higher grade of the same Age Group in a junior competition (for example an U14C grade player filling in for an U14B grade player). Once the player plays a fourth game in a higher grade, they are no longer eligible to play in the lower grade. Junior players are not permitted to fill in for a player of a different Team in the same grade they are registered to play in (for example, an U14 A grade player cannot fill in for a player in another U14 A grade Team). Junior players are not permitted to fill in for a player in a lower grade than the Team they have registered to play in (for example, an U16 B1 grade player cannot play

in B2 or any lower grade). When a fill in player plays in an older Age Group (for example an U14's player filling in U16's), all registered players in the lower Age Group in A and B Grade can only play up an Age Group in A and B Grades. Registered players in the lower Age Group in C and D Grade can play in A – D Grades in a higher Age Group.

- 14.9. A fill in player may play for a Team as long as the addition of the said player does not exceed the total representative points allocation for that Team (14 points).
- 14.10. A fill in player's representative points may take the place of an existing player's representative points if the existing player is not playing. The fill in player's points cannot exceed the Team limit, or the player's points they are replacing.

15. Late Player Inclusion in Team

- 15.1. A late player registration may be added to the list of players registered for a Team after the commencement of each season. Before that player's first game with the Team, their Club will need to register their details online and add them to the Team. The player's name will automatically be added to the scoring system.

Note: If a player is joining after grading season, written approval must be granted by the SBA CEO.

- 15.2. A player must not take the court and play under another player's name. A forfeit will be issued to any Team that breaches this rule.

16. Clearance for Junior Players

- 16.1. A clearance is required for all junior players to change from one Club to another Club.
- 16.2. Any Junior player transferring from one Club to another is required to complete and lodge the prescribed Transfer Request. All clearances must be finalised prior to the commencement of the Grading Period.
- 16.3. Clearance requests lodged during or after the grading period must have approval from both Club and the SBA, there is no guarantee these will be approved.
- 16.4. If a Representative Player leaves the domestic Team within the grading period, then the Team may seek approval from CEO to have that player replaced with another Representative Player but only if the points limit is not exceeded.
- 16.5. A forfeit will be applied to any junior Team who allows a player to play without first obtaining a clearance under By-Law 16.2.
- 16.6. A Club may refuse a clearance for a player if they are nonfinancial or has not returned Club owned property. There are no other grounds for refusal to clear a player. The current Club has ten (10) business days to action the application for the clearance in writing, If no action has been taken within the ten (10) business days, the clearance will be automatic.

17. Timing

- 17.1. The game will consist of two halves of 20 minutes (unless Heat Policy is invoked).
- 17.2. Half time break is two (2) minutes for all junior competition and one (1) minute for seniors.

- 18.1. Each Team must have a minimum of four (4) players on the court at the commencement of play.
- 18.2. For Mixed Competition, a minimum of four (4) players are required at the commencement of play with no more than three players of any one gender on the court at any time (clause 28.1).

19. Scoring

- 19.1. Each Team is responsible for correctly entering players and their correct numbers into the scoring system prior to the commencement of the game. It is the scorer's responsibility to ensure the correct points and fouls are awarded to the players. No changes will be made after the game has been finalised.
- 19.2. Each Team must provide one competent scorer aged 14 years or above prior to commencement of play.

A Team without a scorer will incur a 10-point penalty, this will be applied no later than half time. This penalty must be applied courtside by the referees.

Alternatively, the Team can sit one of their players off to score, playing with four players on the court in order to avoid the 10-point penalty. This player can be substituted, the player who takes their place then becomes the scorer.

- 19.3. Referees MUST not score and MUST apply any penalties for breaching this clause.
- 19.4. Scoring queries must be raised with the referee during play by either Coach or Team Contact (for Junior Competition) or Team Contact (for Seniors).
- 19.5. If there is any conflict between the score on the scoreboard and the scoring system, the scoring system will take precedence. Scores cannot be changed after the game has been finalised unless a forfeit is awarded due to a breach of By-Laws.
- 19.6. During the game a scorer is recognized as a game official and must act impartially. Referees reserve the right to remove any scorer from the score bench and have them replaced by another scorer.
- 19.7. Scorers and referees may not leave the score bench until the final score is checked, agreed upon and finalised in the Scoring System.

20. Time Outs/Substitutions/Time in the Key

- 20.1. Each Team may have two (2) timeouts per half, each of one-minute duration. The game clock does not stop during these time outs.
- 20.2. For all competitions a timeout is NOT allowed in the last three (3) minutes of each half.

- 23.1. Competition points are awarded as follows:
- Win 3 Points
 - Draw 2 Points
 - Loss 1 Point
 - Bye 0 Points
 - Forfeit 0 Points (forfeit received Team will receive 3 Points)
- 23.2. Ladder Positions will be determined by points percentage (PP%). The PP% is calculated by the points a Team has been awarded, divided by the games played.

Example: A Team has played 10 Games, Won 7 and lost 3.

Equation: $(7 \times 3 \text{ Points}) + (3 \times 1 \text{ Point}) = 24 \text{ Points}$
 $24 \text{ Points divided by } 10 \text{ Games} = 2.4 \text{ PP\%}$

- 23.3. Where Teams finish level on points ratio at the end of the season, ladder positions will be determined by head-to-head results. If Teams are still level, after head-to-head positions will be determined by percentage. Head-to-head is determined by win/loss. If the Teams have only played each other once the Team that won will progress. If they have played each other more than once, whoever has won the most games out of these games will progress. If they have equal wins/loss the total winning margins will be added up and the Team with the highest winning

margin will progress.

The online system (ladders) do not have the facility to calculate head to head positions, this will be manually entered by the SBA during the week entering finals.

- 23.4. A Team with insufficient qualified players to compete in the final's series will forfeit its place.
- 23.5. A player must play in seven (7) of the fixtured games for the season to be eligible to play finals. Byes do not count as games played.

In exceptional circumstances a Domestic Club Administrator can apply for dispensation on behalf of one of their members from this By-Law. Dispensation can be sought by applying in writing to the CEO detailing reason/s why dispensation should be granted at least ten (10) days prior to the final's series commencing.

- 23.6. Medical Certificates may be accepted as evidence of injury/illness and can be used to support an exemption for a player from the usual qualification criteria. Medical certificates must be submitted to the Association within ten (10) days of the diagnosis and are accepted up to and including the last round of competition.

For the female players, pregnancy is deemed to be an exemption on medical grounds provided a doctor's certificate is submitted. A pregnant player would require a medical certificate to play in finals.

- 23.7. When a Team has received a forfeit, this will count as a game played to qualify for the finals.
- 23.8. If a Team forfeits a semi-final, then all Teams will be pushed up a position.

Example If Team B forfeits their semi-final:

<u>Original Placings</u>	<u>New Placings for finals</u>
1st. Team A	1st. Team A
2nd. Team B	2nd. Team C
3rd. Team C	3rd. Team D
4th. Team D	4th. Team E
5th. Team E	

- 23.9. The finals format:
First Semi Final 1 v 4
Second Semi Final 2 v 3
Winners progress to the Grand Final.

If the Grades are combined (Example A/A reserve):

- 34.3. For senior competition only:
 - Teams are not permitted to question or comment on a referee's call during play. One warning will be given and if the behaviour is repeated a behavioural technical foul will be issued with two shots

- Players may not dispute decisions by calling out to the Referee Supervisor during play as this is still disputing referee decisions and will fit the same criteria as above.
- Spectators are not permitted to question or comment on a referee's calls during a game. The referee will stop the game and give a warning in the first instance. If the behaviour is repeated, the game will be stopped until the Referee Supervisor can engage with the spectator; at no time during this process will the clock stop.
